Report Summary

Congratulations on completing this Computer Maintenance / IT Support Final project! I hope you enjoyed the journey and are ready to apply what you've learned. A bright future comes from investing your time and working hard; don't complain about it, as it is the only way to achieve your big dreams. dreams.

I have successfully demonstrated the use of the **Zoho Desk system**, and each task marked as completed is clearly shown in the recorded video. This video has been uploaded to Google Drive, and the link for the instructor with access is provided below:
