

Idioms about success, each with a clear meaning and example:

1. Hit the nail on the head

Meaning: To do something exactly right or be completely correct.

Example:

Her presentation hit the nail on the head—everyone understood the project clearly.

2. Make it big

Meaning: To become very successful, especially in career or business.

Example:

He moved to the city to make it big in the music industry.

3. Go the extra mile

Meaning: To put in more effort than expected to achieve success.

Example:

She always goes the extra mile, which is why she was promoted.

4. Climb the ladder

Meaning: To progress step by step toward higher success or status.

Example:

He started as an intern and slowly climbed the ladder to become a manager.

5. Bear fruit

Meaning: To produce positive results after effort.

Example:

All their hard work finally bore fruit when they won the competition.
